## Step by step - Étape par étape Stap per stap - Paso a paso

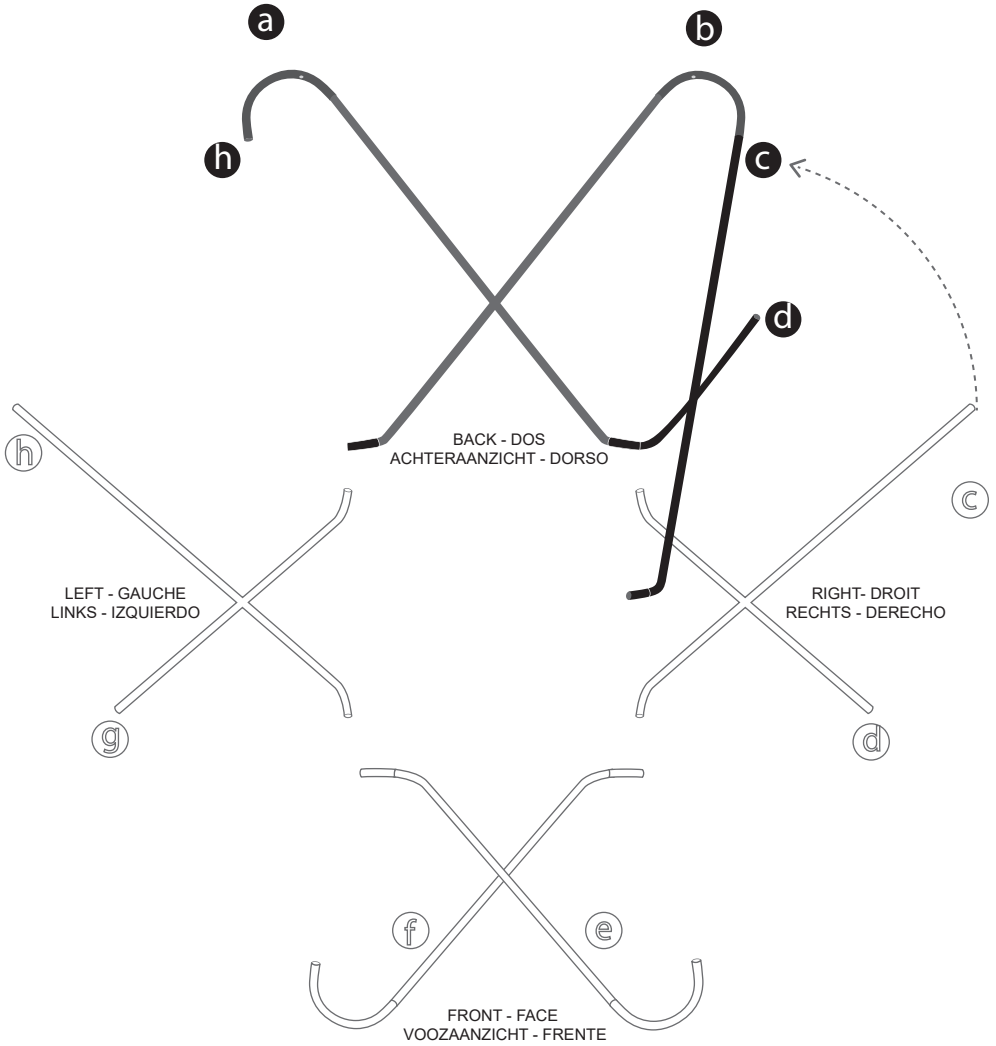

# 2

Assembling **b** → **c**

Montage **b** → **c**

Ensamblar **b** → **c**

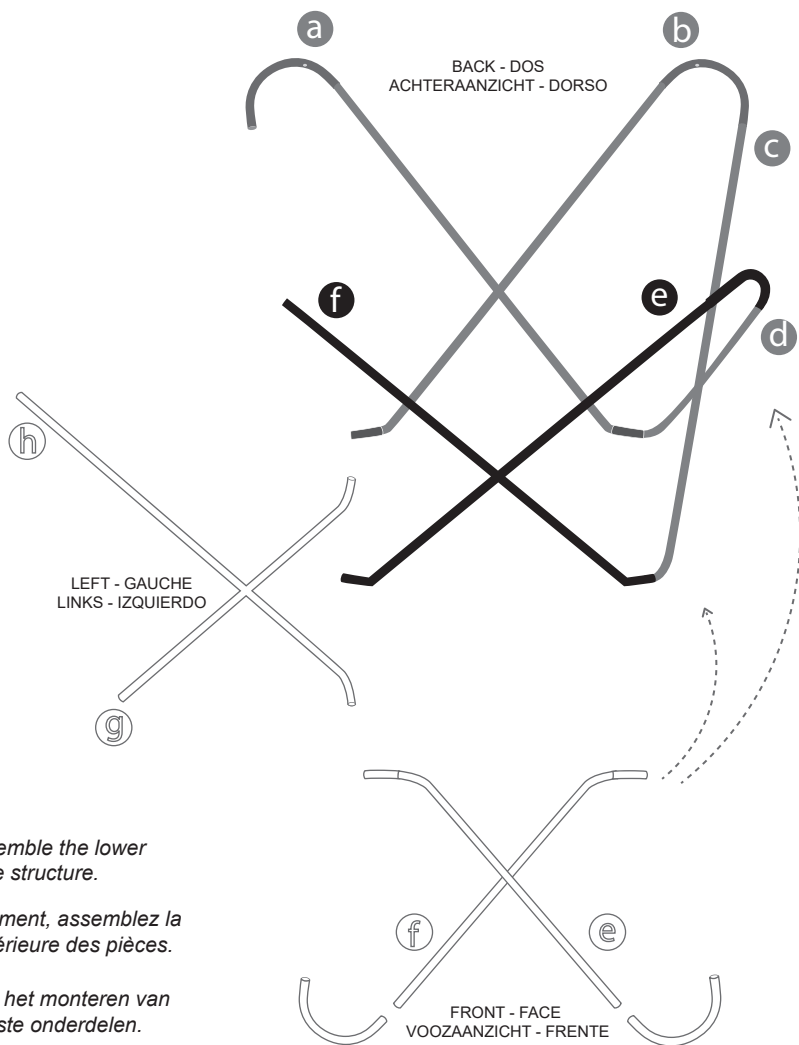

# 3

Assembling **d** → **e**

Montage **d** → **e**

Ensamblar **d** → **e**

First, assemble the lower part of the structure.

Premièrement, assemblez la partie inférieure des pièces.

Start met het monteren van de onderste onderdelen.

Primero ensamble el inferior de las piezas

Then, connect the curved accessories on the top.

Ensuite, connectez les pièces incurvées sur le dessus.

Verbind daarna de gebogen onderdelen aan de bovenzijde.

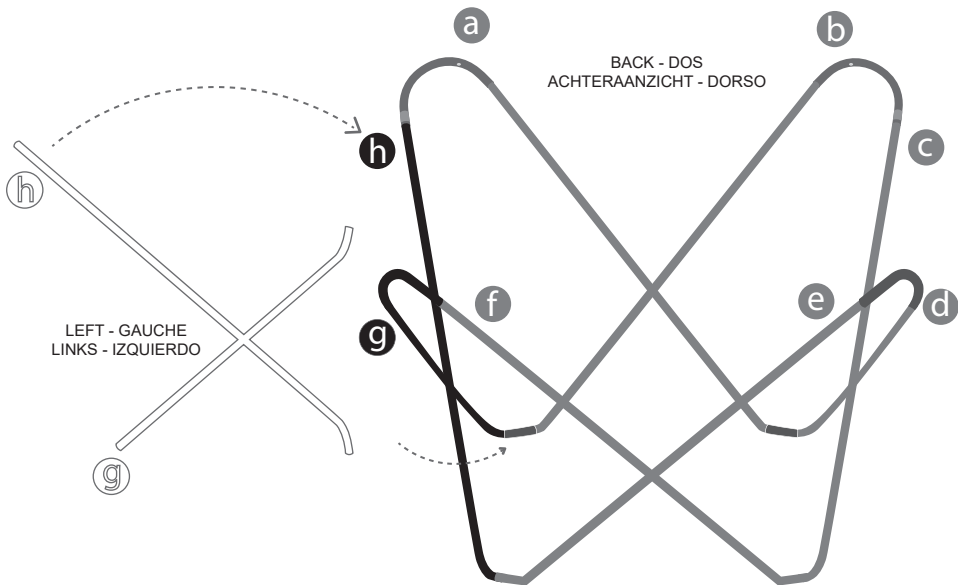

Luego conecte el accesorio curvo al extremo superior

# 4

Assembling **f** → **g** → **h** → **a**

Montage **f** → **g** → **h** → **a**

Ensamblar **f** → **g** → **h** → **a**

*First, assemble the lower part of the structure.*

*Premièrement, assemblez la partie inférieure des pièces.*

*Start met het monteren van de onderste onderdelen.*

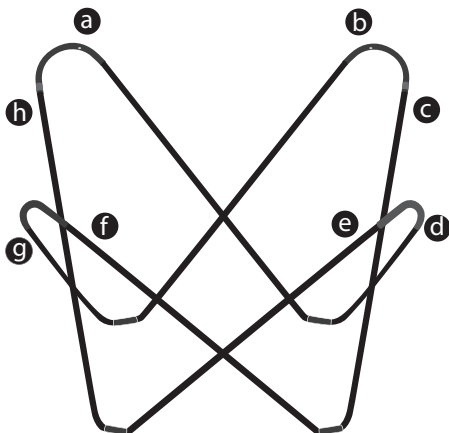

*Primero ensamble el inferior de las piezas*

*Then, connect the curved accessories on the top.*

*Ensuite, connectez les pièces incurvées sur le dessus.*

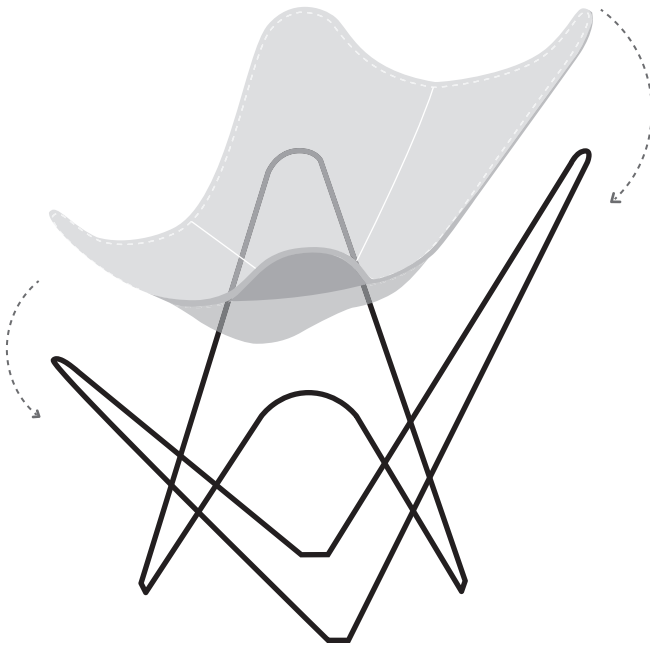

*Verbind daarna de gebogen onderdelen met de bovenzijde.*

*Luego conecte el accesorio curvo al extremo superior*

5

Attach the leather to the frame - Attacher l'assise à la structure  
Overtrek het frame met de bekleding - Sujetar el cuero al armazón

*First the back*

*D'abord le dos*

*Eerst de achterzijde*

*Primero el dorso*

*Then the front*

*Ensuite l'avant*

*Daarna de voorzijde*

*Luego el frente*
